Title: ASDAD: All-Stars Dungeons and Diamonds

Genre: Indie

Developer:

Giant Enemy Labs

Publisher:

Giant Enemy Labs

Release Date: 1 Oct, 2015

English

It's a really good game, with a high level of difficult in the one vs IA mode. It has the right ammount of items to "troll" the other player and it requires a little ability with the keyboard to start playing (I'm a little clumsy so it takes my a little longer to adapt and play well) I like a lot the art and the music.. It's a really good game, with a high level of difficult in the one vs IA mode. It has the right ammount of items to "troll" the other player and it requires a little ability with the keyboard to start playing (I'm a little clumsy so it takes my a little longer to adapt and play well) I like a lot the art and the music.
